

AMENDMENTS TO THE DRAWINGS

The Applicant respectfully requests that the drawings be replaced with the following Replacement Sheets.

REMARKS

The Applicant respectfully thanks the Examiner for the Written Notice of Allowance.

In response to the Examining Authorities Written Office Notice, the Applicant respectfully submits the following amendments. Specifically, the Applicant respectfully submits that the Drawings have been amended to overcome the rejection, and as amended, are in compliance with 37 CFR 1.121(d). Therefore, the Applicant respectfully requests that the rejection be withdrawn.

CONCLUSION

For these reasons, it is believed that none of the cited art teaches the claimed invention. Furthermore, it is believed that the foregoing amendment has adequate support in the specification and drawings, and accordingly there should be no new matter. Applicant believes the pending claims have addressed each of the issues pointed out by the Examiner in the Written Office Action. In light of the foregoing amendment, the claims should be in a condition for allowance. Should the Examiner wish to discuss any of the proposed changes, the Applicant again invites the Examiner to do so by telephone conference.

Respectfully Submitted,
